Organised by: J&K Chapter of IAPC and AIIMS, Jammu

Preconference Workshop

SEEING THE UNSEEN

UNDERSTANDING PSYCHOSOCIAL AND
SPIRITUAL ISSUES IN
PALLIATIVE AND END- OF-LIFE CARE

As a professional in palliative care, it is important to recognize and address the psychological, social, and spiritual aspects to provide holistic patient care.

JOIN OUR WORKSHOP TO LEARN

- How do individuals deal with crises in palliative care?
- What happens when regular coping strategies fail?
- How can healthcare providers identify the distress?
- How can healthcare providers enhance positive coping?
